PROPOSED ENCLOSURE

AT

7 WHITE POST BUSINESS PARK

SALISBURY

WILTSHIRE

SP4 6AT

PLANNING STATEMENT

The Site

The site forms part of a large industrial unit operated by The Kong Company and relates to an existing covered shipping area.

Proposed

It is proposed to enclose an existing shipping area to create secure storage and loading areas.

Design

The new enclosure will be formed by infilling the existing structure with walls, roller shutter doors and personnel escape doors all to match the existing. The roof will remain as exiting and the free-standing metal columns will become part of the new enclosed structure.

Access

Vehicle access remains unaffected by the proposals. Pedestrian access and means of escape are not affected.
