I have taken over the premises and completed on the lease 24th May 2023. The venue will be renamed Tonka Bean Cafe & Bar Devizes and will now operate as a deli Café and Bar.I would like to vary the opening times to operate the new business.

My intention is to open 8am daily - Monday to Saturday. Ideally I would operate mostly as a café Monday to Wednesday with an earlier close time (8am to 4pm - but would not like a restriction to apply) and 8am to 9.30pm Thursdays to Saturday.

The premises licence restricts the sale of alcohol to 11am to 9pm Mondays to Saturday and 12pm to 9pm on Sundays therefore I am content with a 9.30pm closure.

The opening times however do not work with my new café addition to the venue and will significantly affect my business model and reduce my ability to trade competitively.

I would like to therefore vary the opening times to 8am Mondays to Saturday and (and maintain 12pm on Sundays - although I do not intend to trade on that day but would like the option in the future).
