Wiltshire Council Planning Consultation Response

2nd December 2023

Wiltshire Council Drainage Engineer
Technical Services Drainage Engineer
Wiltshire Council

Officer's Name: Jonathan James
Direct Line: 01225 718512

Application No: **PL/2023/10198**
Screening Opinion - TCPA EIA 2006
Request for an EIA Screening and Scoping Opinion in accordance with Regulations 2 and 4 of Town and Country Planning (Environmental Impact Assessment) (England) Regulations 2017.
Land to the South Of Potterne Park Farm, Potterne Wick, Potterne, Devizes, SN10 5QT

Please note the particulars in connection with the above planning application are available to view on the planning website http://www.wiltshire.gov.uk/planninganddevelopment.htm

Matters Considered:
Documents Reviewed:

- EIA screening requested merged. 22.11.23.pdf
- OS MAP.png
- Site Location Plan.pdf

The application relates to a proposed solar farm with a 49.9MW output for a temporary period of 50 years, associated infrastructure, permanent grid connection hub and environmental enhancements at land to the south of Potterne Park Farm, Potterne Wick, Potterne, Devizes, SN10 5QT

From a surface water drainage perspective, we do not feel that the proposed development will create a significant environmental impact, that won't be covered as part of the required FRA and Drainage Strategy.

Further guidance can be found in SolarPVFarmEcologyAdviceNoteJuly2021.pdf (wiltshire.gov.uk)
