Hi Becky,

Thank you for your email. Our opening hours are:
Mon- Fri: 9am-7.30 pm
Sat: 10am - 5pm

Sunday and Bank holidays closed.

We have infrequent use on Saturdays and not every evening has events or classes going on.

All the best

Lily

Hi Lily,

Further to the public protection officer's comments on the website and pasted below in blue, please could you suggest some hours of use for a condition, to ensure that late night activity can be controlled to protect neighbouring amenity?

Eg suggest hours for Mon – Friday, Saturdays, Sundays and Bank Holidays.

Many thanks
Kind regards
Becky

I write regarding the application for permanent planning permission for a single storey educational building to be used for school visits to the farm, alternative provision for Wiltshire Council, a Home Educational group, Holiday clubs, Fundraisers, evening Yoga classes and talks for the community.

The nearest noise sensitive property is approximately 200m east of the application site. Background sound levels at this location, particularly during the evening and late are night are likely to be very low, therefore, you may wish to consider applying a condition to restrict hours of use of the building in order to avoid loss of amenity at the nearest property as the result of people noise/ vehicles entering or leaving the site late at night.
