

Design Risk Assessment was carried out through the design stage of this project, in accordance with the company procedures in the Health and Safety Manual and the Risk Management and Safety in Construction. Where reasonably possible, all areas applicable to the design have been identified and noted for action on Risk Assessment forms specific to this project. This drawing should be read in conjunction with the Risk Assessment. This information is to be provided to the Principal Designer to be included in the Health and Safety plan.

GENERAL NOTES

1. No dimensions to be scaled from this drawing.
2. All dimensions to be checked on site.
3. The contractor must verify all signed dimensions on site before commencing any work or making any other drawings.
4. This drawing is the sole copyright of 1215 Heritage Homes Limited and no part may be reproduced without written consent.
