Appendix A: Site Photographs (December 2020)
32 Fore Street, Trowbridge BA14 8EP

Photo 1: Front elevation to Fore Street comprising the BHF store. The building was substantially remodelled in C20 and is not listed. The adjoining building, Savers, Nos. 33/34 Fore Street is undergoing a roof top extension and conversion of the upper floors pursuant to planning permission 20/04667/FUL and 18/12017/CLP. The proposals will increase the height of the parapet to the front elevation.

32 Fore Street, Trowbridge BA14 8EP

Photos 2 & 3: Narrow Wine Street runs along the north elevation of the application building. The proposal will improve natural surveillance and will provide additional vitality along Narrow Wine Street which is presently subject to graffiti and anti-social behaviour.

Appendix A: Site Photographs
32 Fore Street, Trowbridge BA14 8EP

Photo 4: Rear elevation of Nos. 32 and 33/4 Fore Street. Nos. 33/34 Fore Street is presently undergoing a roof top extension and conversion of the upper floors pursuant to planning permission 20/04667/FUL and 18/12017/CLP. This proposal has demonstrated how new contemporary extensions and residential use has the potential to enhance the townscape and inject new vitality to the town centre.

32 Fore Street, Trowbridge BA14 8EP

Photo 5: Rear elevation of Nos. 32 and 33/4 Fore Street on Narrow Wine Street. The new entrances to 33/34 are in the foreground. The combination of new rear access to Nos 33/34, and the proposed new entrances to the flats at No.32 will add new vitality and activity to this part of the town centre and will enhance the public realm.

32 Fore Street, Trowbridge BA14 8EP

Photo 8: The existing flat roof facing east. The upper floors of the adjacent building No 33-34 is currently being developed for housing—the new party wall is on the right hand side. New upper floor terraces will benefit from an interesting roof top aspect over the town centre towards the church. The new top storey will be largely concealed from public viewpoints at ground level.
