Dear Sir/Madam

B18155 Devizes Water Main Replacement - Temporary Construction Compound: PLANNING APPLICATION SUBMISSION

Wessex Water proposes to use an existing hardstanding area off Dunkirk Hill, Devizes as a temporary construction compound to facilitate an essential water supply mains replacement scheme in Devizes town centre. The compound will be use from August 2023 for a period of 20 months (subject to planning permission).

We therefore submit a planning application to Wiltshire Council. An Environmental Supporting Statement is included which provides further information regarding the scheme.

Please find attached the Planning Application for the scheme, comprising:

- Planning Forms
- 1 Location Plan: (1:2500) [B18155-WWSL-XX-XX-D-T-7010; REV.C02]
- 1 Site Layout: (1:500) [B18155-WWSL-XX-XX-D-T-7011; REV.C02]
- Certificate (A)
- Planning Fee: £526.00

If you have any queries about the development, please contact Louie Cosentino, Project Manager, or Tom Ross, Environment and Planning Advisor, at the above address and quote the above reference in all correspondence.

Yours faithfully

Paul Lewis
