Wiltshire Council

The Town and Country Planning Act 1990

Approval of Full Planning Permission with Conditions

Application Reference Number: PL/2023/05134

Decision Date: 21 August 2023

Applicant:	Mr Jordan Guy 43 Sladebrook Avenue, Bath, United Kingdom, BA2 2LB
Particulars of Development:	Erection of a storage shed and compost toilet in support of the agricultural activities (vineyard and grape growing) for storage of machinery and tools for the maintenance of a vineyard.
At:	Land adjacent 25 & 27 Hawkstreet, Bromham, Chippenham, SN15 2HU

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

Conditions: (4)

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:
- Block Plan (Scale 1:500);
- Floor Plans (Shed and Composting Toilet);
- Location Plan (Scale 1:1250);
- Proposed Elevations (Shed and Composting Toilet).

REASON: for the avoidance of doubt and in the interests of proper planning.

3 The buildings hereby approved shall not be occupied or brought into use until a minimum of one bat and one bird box have been installed at the site. The development shall be maintained in that state thereafter.

REASON: To ensure that opportunities to enhance biodiversity are delivered in accordance with the aims of Core Policy 50 of the Wiltshire Core Strategy (Adopted January 2015).

4 In the event the use of the buildings hereby approved (for the purposes of agriculture within the unit) permanently ceases within 10 years from the date on which the development was substantially completed; and planning permission has not been granted on an application, or has not been deemed to be granted under Schedule 2, Part 3 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), for development for purposes other than agriculture, within one year from the date on which the use of the buildings for the purposes of agriculture within the unit permanently ceased, they must be removed from the land and the land must, so far as is practicable, be restored to its condition before the development took place, or to such condition as may have been agreed in writing between the local planning authority and the developer.

REASON: To ensure the development contributes to a prosperous rural economy and to protect the rural landscape in accordance with the aims of Core Policies 48 and 57 of the Wiltshire Core Strategy (Adopted January 2015) and paragraph 84 of the National Planning Policy Framework (July 2021).

Informatives: (1)

5 The applicant is requested to note that this permission does not affect any private property or access rights and therefore does not authorise the carrying out of any work or access over land outside their control. If such works or access are required, it will be necessary for the applicant to obtain the landowner's consent before such works commence.

If you intend carrying out works in the vicinity of the site boundary, you are also advised that it may be expedient to seek your own advice with regard to the requirements of the Party Wall Act 1996.

Any alterations to the approved plans, brought about by compliance with Building Regulations or any other reason must first be agreed in writing with the Local Planning Authority before commencement of work.

The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. If the development is determined to be liable for CIL, a Liability Notice will be issued notifying you of the amount of CIL payment due. If an Additional Information Form has not already been submitted, please submit it now so that we can determine the CIL liability. In addition, you may be able to claim exemption or relief, in which case, please submit the relevant form so that we can determine your eligibility. The CIL Commencement Notice and Assumption of Liability must be submitted to Wiltshire Council prior to commencement of development. Should development commence prior to the CIL Liability Notice being issued by the local planning authority, any CIL exemption or relief will not apply and full payment will be required in full and with immediate effect. Should you require further information or to download the CIL forms please refer to the Council's Website https://www.wiltshire.gov.uk/dmcommunityinfrastructurelevy

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
