Details of the pre-application advice received

The enquiry confirmed we needed planning permission. As the proposed vehicular access crosses a bridleway, it was suggested that we contact RoW to check that all relevant consents had been obtained. As we couldn't get a direct response to an email we sent to RoW, Ms Burns spoke directly with a member of the RoW team who explained that it is a criminal offence under section 34 of the Road Traffic Act 1988 to drive a mechanically propelled vehicle along the bridleway and should seek advice as to how you go about gaining this right.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
