Statutory Declaration by

Bridget Ann Woodward

In support of the Existing Lawful Use of:

1. The Yoga Barn as a self-contained dwelling

May 2023

I, Bridget Ann Woodward of Pippin, Cecil Avenue, Salisbury, SP2 8EE, do solemnly and sincerely declare the following:

1. I confirm that I moved into the property known as The Yoga Barn, 88 Ridge, SP3 5BS, on 17.2.2017 and left the property on 3.10.2020.

2. The property contained all of the fixtures and fittings that are found in a dwelling – there was a bedroom with bathroom, a TV/lounge area and a kitchen area and dining area.

3. I lived totally independently from the house at Damson Cottage. The Yoga Barn was quiet and peaceful and private. There was a designated parking space and I had outside amenity space that I used as my own garden all around the dwelling. There was a mature hedge which provided separation and privacy from Damson Cottage.

4. I initially signed a tenancy agreement as provided with the application documents. This rolled on annually until I gave my notice to my landlady Rachel Boase.

5. The rent paid included the agreed apportioning of utilities bills.
