Dear Sir/Madam

Discharge of Condition

Application No:	PL/2023/06381
Proposal:	Discharge of condition 2i of planning application PL/2023/00996 (Install chimney flue liner and replace thatched roof)
Site Address	The Milk House, Church End, Purton, Swindon, SN5 4EE
On Behalf of	Renders

Thank you for your recent request to discharge conditions related to the above.

After consideration of the information you have provided the Local Planning Authority consider the photographs showing the mortar flashing to the chimney and materials are sufficient information to discharge this condition.

This letter acts as official confirmation and should be retained with your Decision Notice

List of conditions discharged by this request. (1)

2 Notwithstanding the approved drawings, no works to the chimney flashings shall commence until details of the following have been submitted to and approved in writing by the Local Planning Authority:

(i) Full details of the mortar mix, which shall be gauged lime.

The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting listed building consent and the matter is required to be agreed with the Local Planning Authority before works commence in order that the works are undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting."

Yours faithfully

Head of Development Management
