Dear Ms Maddaford

Pre-application Advice

LACOCK ABBEY, HIGH STREET, LACOCK, SN15 2LG

Thank you for contacting us on 5th August seeking our pre-application advice on proposals for the above site.

We have reviewed the information submitted and are content that the proposed design is aligned to the advice and recommendations provided in our published guidance (https://historicengland.org.uk/images-books/publications/lightning-protection/heag182-lightning-protection/).

We therefore have no detailed comments to make on the proposals.

You do not need to consult us again on these proposals at pre-application stage unless, as the scheme develops, there are material changes to the proposals which would have an impact on the historic environment.

It may be appropriate to seek the advice of the local planning authority and/or the relevant amenity societies on your proposals.

If you have questions regarding any of the above, please do contact me.

Yours sincerely

Alessandra Perrone
Assistant Inspector of Historic Buildings and Areas
