Wiltshire Council

The Town and Country Planning Act 1990

Approval of Full Planning Permission with Conditions

Application Reference Number: PL/2023/05474

Decision Date: 29 September 2023

Applicant:	Mrs S Dhruev Springfields Salisbury Road South To Charlton Lane, Charlton, Wiltshire, SP7 0EN
Particulars of Development:	Incorporate attached redundant workshop into dwelling, replace and enlarge rear lean-to.
At:	SPRINGFIELDS, CHARLTON, SHAFTESBURY, SP7 0EN

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

Conditions: (6)

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

5171 P01 (Proposals - Floor Plans) dated 12/06/23
5171 P02 Rev.A (Proposals - Elevations) dated 09/08/23
5171 P03 Rev.A (Location, Site & Roof Plans) dated 09/08/23

REASON: For the avoidance of doubt and in the interests of proper planning.

3 The accommodation hereby permitted shall remain within the same planning unit as the existing dwelling.

REASON: The additional accommodation is sited in a position where the Local Planning Authority, having regard to the reasonable standards of residential amenity, access, and planning policies pertaining to the area, would not permit a wholly separate dwelling.

4 In the event that contamination is encountered at any time when carrying out the approved development, the local planning authority must be advised of the steps that will be taken by an appropriate contractor; to deal with contamination and provide a written remedial statement to be followed by a written verification report that confirms what works that have been undertaken to render the development suitable for use.

REASON: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors.

5 The development will be carried out in strict accordance with the following document:

Bat Mitigation & Survey Report. V.1.1 dated 16/08/2023 by ABR Ecology Ltd.

REASON: For the avoidance of doubt and for the protection, mitigation and enhancement
of biodiversity.

6 Bat roosts and bat access points will be incorporated into the development in accordance with technical drawing ‘Proposed Elevations 5171 P02 Rev A’ by PWCR Architects or as otherwise specified in a relevant European Protected Species Licence superseding this permission. The installation of these bat roosts and access features will be supervised by a professional ecologist and this part of the condition will be discharged when photographic evidence of installed features have been submitted to and approved in writing by the local planning authority. These bat roosts and access points will continue to be available for bats for the lifetime of the development.

REASON: To mitigate for impacts to bats arising from the development.

Informatives: (2)

Any alterations to the approved plans, brought about by compliance with Building Regulations or any other reason must first be agreed in writing with the Local Planning Authority before commencement of work.

The applicant is requested to note that this permission does not affect any private property rights and therefore does not authorise the carrying out of any work on land outside their control. If such works are required it will be necessary for the applicant to obtain the landowners consent before such works commence.

If you intend carrying out works in the vicinity of the site boundary, you are also advised that it may be expedient to seek your own advice with regard to the requirements of the Party Wall Act 1996.

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
