Design and Access Statement
in relation to
6 HIGH STREET, CHIPPENHAM, SN15 3ER

Following a store closure and re-opening exercise, the signage at the above address requires reinstalling as per previously approved signage.

Design Component

The physical construction of the new fascia sign remains the same as the removed signage and is being replaced on a like-for-like basis

The projection sign is externally illuminated via the existing troughlight and will be constructed from timber in keeping with the fascia construction
The design follows the established corporate branding style of our clients' nationwide 'High street' identity and remains harmonious with the building and with neighbouring commercial frontages.

Access Component

As no physical changes are being made to the building, all aspects relating to existing Access considerations will remain unchanged and unaffected.
