Planning

Dear Sirs,

**Re: Blackberry Wood, Glebe Road, SN4 7DU. Heritage statement.**

This application is for a single storey extension to the side elevation at the above address. The site is within the Royal Wootton Bassett conservation area but the property is not listed.

The property is set back considerably from the main road and due to hedging and so on, the proposal will be barely visible from the public highway. There are no adjoining buildings which would be affected by this application.

The materials are all to match the existing and in normal circumstances this extension would meet all of the policy criteria relating to extensions.

It is anticipated that the council will support this application.

Yours sin[redacted]

R G Keech. Agent.
