Details of the pre-application advice received

Was informally contacted by Mark by means of a business card through my letter box asking to make contact re panels installed on my outbuilding. Following a phone call and emails between ourselves he explained that i would require planniing permission due to the panels exceeding .2m height from the height of my flat roof area therefore falling outside permitted development. He advised on the means to apply for planning permission and the completion of this section within the application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
