Cover letter for materials

Brick to be used for plinth:

Regency Red Multi/ Special Blend 482 to match boundary wall and the plinth of double garage

Slate to be used on roof:

Esco 17 to match garage

Timber post, lintels and cladding to be Douglas Fir.

<u>Pictures of the site:</u>

Inside the site, showing boundary and existing tree coverage

From the dual carriageway view, showing that existing trees are in the area where the new proposed outbuilding is to be built.
Further mature trees to be planted, see list attached and comment in Design statement.
