		Surveyed by: ADS/AJR — Drawn by: RAE

Notes:

Land Development Services Ltd. own the copyright of this drawing. Their written consent must be obtained before this drawing is copied or used for any purpose other than the one for which it was supplied.

This survey has been carried out to an accuracy consistent with a presentation scale of 1:200; therefore interrogated dimensions will be within the tolerance associated with this scale. The same accuracies implied by the plotting scale are equally applicable to digital data supplied for CAD. The scale of this drawing should not be changed without permission.

Boundaries shown are not necessarily legal boundaries.

Building footprints edged with a solid line have been surveyed. Where the outline is merely hatched the footprint is indicative only.

Underground services have not been traced, but any visible surface features of underground services have been located. No allowance has been made for sub-surface manholes or other chambers or voides below ground level. Any details relating to pipe sizes etc. are taken from above ground and as such will be approximate only. While every effort is made to identify all visible above-ground features, it should be noted that there may be features obscured at the time of survey.

Spot heights at edges of roads are road/gutter levels, not top of kerb unless otherwise stated.

Trees have been shown diagrammatically (i.e. circular), however, their true shape in plan will be different.

LEGEND:

AV	Air Vent	MS	Mile Stone
BB	Belisha Beacon	OSBM	OS Bench Mark
BOL	Bollard	RE	Rodding Eye
CATV	Cable TV Cover	RS	Road Sign
CH	Cill to Head Level	RWP	Rainwater Pipe
CL	Cover Level	SC	Stop Cock
CNC	Concrete	SP	Sign Post
DK	Drop Kerb	SV	Stop Valve
DPC	Damp Proof Course	SVP	Soil & Vent Pipe
EP	Electricity Pole	TL	Traffic Lights
ER	Earthing Rod	ToF	Top of Fence
FB	Flower Bed	ToH	Top of Hedge
FC	Floor to Cill Level	ToW	Top of Wall
FFL	Finished Floor Level	TP	Telegraph Pole
FH	Fire Hydrant	TS	Tree Stump
FL	Flood Light	UNK	Unknown Species
FS	Flagstaff	u/sB	Under-side of Beam
GL	Ground Level	u/sC	Under-side of Cill
GP	Gate Post	u/sDH	Under-side of Doorhead
GV	Gas Valve	u/sF	Under-side of Fascia
GY	Gully	u/sFB	Under-side of Floorboards
IC	Inspection Cover	u/sJ	Under-side of Joists
ICBT	BT Cover	u/sP	Under-side of Purlin
IC:E	Electricity Cover	u/sR	Under-side of Ridge
IC:G	Gas Cover	u/sRB	Under-side of Ridgeboard
IC:TL	Traffic Light Cover	u/sRSJ	Under-side of Rolled-Steel Joist
ICW	Water Cover	u/sT	Under-side of Truss
IL	Invert Level	u/sWH	Under-side of Windowhead
LP	Lamp Post	UTL	Unable to lift MH cover
MH	Manhole	WM	Water Meter
MHFW	Manhole - Foul Water	WP	Waste Pipe
MHSW	Manhole - Surface Water	WV	Water Valve
MP	Marker Post		

FENCES:

AIF	Angle Iron Fence	LL	Larch Lap Fence
BWF	Barbed Wire Fence	OBF	Open Boarded Fence
CBF	Close Boarded Fence	P&R	Post & Rail Fence
CIF	Corrugated Iron Fence	P&W	Post & Wire Fence
CLF	Chainlink Fence	RW	Retaining Wall
IR	Iron Railings

Client: SALISBURY DBF

Title: TOPOGRAPHIC SURVEY

Project: CHILMARK PRIMARY SCH.
THE STREET
CHILMARK

The horizontal and vertical control of this survey is based on Ordnance Survey grid as translated from GPS co-ordinates using the OSTN02 and OSGM02 transformation as supplied by OS. We have applied a reverse scale factor to maintain true ground distances. Vertical values may differ from existing OS benchmarks in the vicinity which should be disregarded. All levels should be taken from LDS survey stations.

Scale: 1:200
Plotted on A1

Drawing No: LDS/9748-TP1
