Highway Development Control Consultation Response

Planning Application Ref: PL/2023/05110

Site Address: Land off Goatacre Lane, Goatacre, Calne, SN11 9JQ.

Proposal: Change of use to dog exercise paddock.

Date of Consultation Response: 18/08/2023

I refer to the above planning application dated 26/06/2023 seeking permission for the change of use to dog exercise paddock. Amended documents have been received which would not alter my previous stance with regard to highways and I therefore attach my previous comments for information.

The site is located on Goatacre Lane, an unclassified section of public highway, there are no plans to alter the existing access with the public highway.

It is intended that staff will collect dogs limiting the vehicular traffic attraction at the site. The provision of three parking spaces within the site also limits the vehicle trips and provides staff parking for the proposed 3 employees.

The private nature of the business would also limit the vehicle attraction, therefore I would not wish to raise an objection with regard to highways.
