Re planning 2023/06353
Good morning
I have had an objection to this planning and I just want to clarify that I do not intend to build stables . It is going to be a windshelter where the horses can go in and out of when the weather is bad so they are not going to in there permanently. I will only have about 3 horses on the 7 acres I have bought. And I will not have any hard feed down there and will provide ratboxes anyway. If you have any more questions or concerns please contact me either by email or phone 07798 783634
Kind regards
