Project – AVH Car Park

Lighting Design Notes:

Room reflectance – 0

Column height – 3m

Lighting Design

JCC are pleased to offer your free lighting design as enclosed, all lighting designs are subject to our standard disclaimer, this disclaimer should be read and understood, with any questions being raised at the earliest opportunity.

JCC/Leviton Lighting Design Disclaimer

All designs are reviewed for evaluation purposes based solely on the drawings and information provided by the contractor/client/distributor at the time of submission.

It is the sole responsibility of the contractor/client to ensure that the design and installation complies with all relevant building regulations, including but not limited to, the local fire department, building & planning control, British standards and health and safety regulations. It is expected that the contractor/client has carried out all and any necessary on-site risk assessments to ensure high risk or abnormal conditions are met with in the supplied brief.

In the event it is determined that the design does not comply with any such regulations, JCC may consult with the customer to make any necessary adjustments, at the contractors/client's sole cost and expense.

JCC does not warrant and shall not be liable for the accuracy of any designs or information contained within. JCC makes no express warranties, and disclaims all other warranties, whether implied or statutory. JCC shall not be liable for indirect, incidental, special, cover, reliance or consequential damages or lost profits resulting from the lighting designs installation and compliance with all relevant regulations.
