Highway Development Control Consultation Response

Planning Application Ref: PL/2023/05256

Site Address: 1 Ermin Close, Baydon, Marlborough, SN8 2JQ.

Proposal: Proposed ground and first floor extensions, internal alterations and garage conversion.

Date of Consultation Response: 19/07/2023

I refer to the above planning application dated 29/06/2023 seeking permission for the proposed ground and first floor extensions, internal alterations and garage conversion.

The site is located on Ermin Close, an unclassified section of public highway, there are no plans to alter the existing access with the public highway.

The proposals would not affect the required parking provision, the loss of garage space would not be a material consideration as there are three spaces indicated within the curtilage. Therefore, I would not wish to raise an objection with regard to highways.
