Highway Development Control Consultation Response

Planning Application Ref: PL/2023/05184

Site Address: Car Park, Leigh Delamere Motorway Services westbound, Leigh Delamere.

Proposal: Retention of electric vehicle charging hub with associated works and installation of a further 6no bay electric vehicle charging hub with associated works.

Date of Consultation Response: 20/07/2023

I refer to the above planning application dated 28/06/2023 seeking permission for the retention of electric vehicle charging hub with associated works and installation of a further 6no bay electric vehicle charging hub with associated works.

No alterations to the public highway are proposed and the retention/addition of EV charging bays is acceptable within the existing car park facilities.

Therefore with regard to highways, no objection is recommended.
