Details of the pre-application advice received

In order for our department to confirm whether any planning permission is required for the change in roofing materials, it would be useful if you could provide some photographs of the context of the new roofing in relation to the rest of the building (and adjacent buildings).

Whilst I appreciate your comments relating to the fact that the flashing and physical attachments of the roof have not been changed, I can confirm that Listed Building consent would be required for the changing of the roofing material and the installation of skylights/rooflights into the roof.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
