Hedgerow Removal Notice

Please state the reasons for the proposed removal of hedgerow(s)

The current hedgerow mainly holds cherry laurel and hawthorn; Due to the thorns my dogs have already had painful experiences which have twice needed medical treatment in the last year. I wish to replace the hawthorn with a less painful and more visually appealing type of hedge. I suspect the hawthorn was planted as a nautral barrier due to the land previously being used for cattle, however, this is no longer the case as the farm was converted into houses over 20-30 years ago.

Please state the reference number of the plan(s) showing the stretch(es) of hedgerow(s) to be removed
