Dear Wiltshire Council

Re: application number PL/2023/04866

I am writing to you with the attached planning application after receiving a letter from you.

I do not think the prospect of renovating the chapel into 4 x 2-bedroom apartments ~~is~~ appropriate.

Parking is already an issue at this site. There is no roadside available for parking extra cars. The spaces already generated at the chapel for the existing apartments would not be enough parking for the new planning application.

Potentially, with 4 extra flats of 2 bedrooms there could easily be another 8 cars. Access can already be difficult for the 4 dwellings beyond the chapel. Also, I think that the limited view points trying to pull out on the road from the chapel needs to be considered.

I am also concerned any damage to walls that have already taken place with the work done previously would get deteriorate further.

I am assuming you will be doing a site visit to assess the situation, especially as it is a listed building and the owner needs to be sympathetic with any restoration.

Yours sincerely

MPJones
