NOTES:

(1) This determination is given on the basis of the legislation in force and the facts available at the time of the determination.

(2) The hedgerow removal must be carried out in accordance with the proposal specified in the removal notice submitted to the Local Planning Authority and within a period of 2 years beginning 42 days after receipt of the valid notification.

(3) This decision only authorises the works proposed under the provisions of the Hedgerows Regulations 1997. Consent may also be required under other legislation or under private agreements; the Local Planning Authority may be able to assist in case of doubt.

(4) The Wildlife and Countryside Act 1981 makes it a criminal offence to damage of destroy the nest of any wild bird whilst that nest is in use or being built. Established working practice avoids works to any hedgerow, tree or vegetation where birds may reasonably be expected to make their nests between 1*st* of March and 31*st* of August in any year. Care should be taken outside of this exclusion period as variations in climate may extend the nesting season.

(5) This permission shall not be construed as granting rights to carry out works on, or over, land not within the ownership or control of the applicant.
