Wiltshire Council

The Town and Country Planning Act 1990

Approval of Full Planning Permission with Conditions

Application Reference Number: PL/2023/10492

Decision Date: 10th May 2024

Applicant:	Mr J M Stratton Manor Farm, Salisbury Road, Steeple Langford, Wiltshire, SP3 4NQ
Particulars of Development:	New agricultural storage building
At:	Manor Farm, Salisbury Road, Steeple Langford, SP3 4NQ

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

Conditions: (5)

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Application form received 01/12/2023
Plans and elevations Sheet 1 Rev B received 11/03/2024
Block plan sheet 02 Rev B received 01/12/2023
Sections sheet 03 Rev B received 01/12/2023
Location plan sheet 01 Rev B received 01/12/2023
Planning statement received 01/12/2023

REASON: For the avoidance of doubt and in the interests of proper planning.

3 Notwithstanding the approved plans, no lighting shall be installed on the site until a full lighting strategy report/lighting impact assessment has been submitted to and approved by the Local Planning Authority. The lighting shall meet the criteria set out in the Cranborne Chase & West Wiltshire Downs National Landscape's [AONB's] Management Plan on Light Pollution, and Good Practice Guides on Good Lighting, and International Dark Sky Reserve's criteria including ILP GN 01/2021 (as amended).

REASON: To protect the dark skies status of the Cranborne Chase & West Wiltshire Downs National Landscape's (AONB)

4 No lighting as approved through condition 3 of this consent shall be used on site until the applicant has appointed a suitably qualified member of the institute of lighting professionals (ILP) to validate that the lighting scheme as installed conforms to the recommendations for environmental zone E0 in the ILP document "Guidance Notes for the Reduction of Obtrusive Light - Guidance Note 01:20. A letter written by a suitably qualified member of the ILP confirming this shall be submitted to the Local Planning Authority. The scheme shall thereafter be permanently retained in accordance with the details submitted.

REASON: To protect the dark skies status of the Cranborne Chase & West Wiltshire Downs National Landscape's (AONB).

5 All soft landscaping comprised in the approved details shall be carried out in the first planting and seeding season following the first use of the building or the completion of the development whichever is the sooner; All shrubs, trees and hedge planting shall be maintained free from weeds and shall be protected from damage by vermin and stock. Any trees or plants which, within a period of five years, die, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local planning authority. All hard landscaping shall also be carried out in accordance with the approved details prior to the occupation of any part of the development or in accordance with a programme to be agreed in writing with the Local Planning Authority.

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

Parvis Khansari - **Corporate Director, Place**

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk

4 **CIL.** The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. A separate Community Infrastructure Levy Liability Notice will be issued by the Local Planning Authority. Should you require further information with regards to CIL please refer to the Council's Website www.wiltshire.gov.uk/planninganddevelopment/planningpolicy
