Response to my "do I need planning permission" query received 29.03.23:

From the information you have supplied, it would appear PLANNING PERMISSION IS REQUIRED under the provisions of the Town & Country Planning (General Permitted Development) Order 2015. Please see below for the relevant section of the General Permitted Development Order:
The Installation of flue
Part 1, Class C. Any other alteration to the roof of a dwellinghouse.
C.1 Development is not permitted by Class C if—
(d) it would consist of or include—
(i) the installation, alteration or replacement of a chimney, flue or soil and vent pipe

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
