11 March 2025

Dear Sir/Madam

Application No:	PL/2023/02704
Application Type	Full planning permission
Proposal:	Change of use of land to a travellers caravan site.
Location:	Land at Lopcombe Corner, Salisbury, Wiltshire
Applicant:	Mr A Jones

This is to inform you that under the Council's delegation scheme the above application will be determined at the Strategic Planning Committee at Council Chamber - County Hall, Trowbridge BA14 8JN on 19 March 2025. The meeting will commence at 10.30am.

The agenda and the committee reports for the meeting are published 5 clear working days prior to the committee meeting (e.g. Tuesday the week before a Wednesday meeting where there is no bank holiday). These are available on the Website Browse meetings - Strategic Planning Committee | Wiltshire Council. Please note that the meeting will be live streamed on the Council's YouTube Channel so that you can watch the meeting online should you wish to do so.

If you would like to register for a public speaking slot, you should contact committee@wiltshire.gov.uk for attention of the officer listed on the front of the agenda (not the case officer for the application).

The deadline for registration is 10 minutes before the start of the meeting, however in accordance with the procedure for planning committees, no more than three statements in support or three statements in objection may be made at the meeting for each application. In most cases, the first three people to register would fill those speaking slots. Statements and comments beyond the three in support and three in objection will not be received.

If you require any further information regarding the committee, please do not hesitate to contact Democratic Services at committee@wiltshire.gov.uk.

Yours faithfully,
Head of Development Management
