Highway Development Control Consultation Response

Planning Application Ref: PL/2023/07695

Site Address: Hitherfields, The Hill, Little Somerford, Chippenham, SN15 5BQ.

Proposal: Front Porch extension to main house entrance – glazed with frames to match the existing, with a GRP roof and detached double garage perpendicular to existing house – materials to match existing.

Date of Consultation Response: 06/10/2023

I refer to the above planning application dated 11/09/2023 seeking permission for a front Porch extension to main house entrance and detached double garage perpendicular to existing house.

The site is located with existing access onto The Hill, a C Classified section of public highway subject to a speed limit of 30mph. There are no plans to alter the existing access with the public highway, an extension within the driveway is proposed to allow for the double garage and will also aid in turning within the curtilage allowing access and egress in a forward gear.

The extension and garage would not materially alter the traffic generation on site or be considered of detriment to the surrounding highway network, therefore I would not wish to raise an objection to the proposals with regard to highways.
