**Highway Development Control Consultation Response**

**Planning Application Ref:** PL/2023/07902

**Site Address:** 1 Potley Lane, Corsham, SN13 9RY.

**Proposal:** Variation of condition 1 of PL/2023/01431 - Change to approved plans in order to address building regulations approval "Retention of 2 storey building attached to no.1 Potley Lane and use as 2 self-contained flats with associated works (part retrospective)".

**Date of Consultation Response:** 10/10/2023

I refer to the above planning application for the variation of condition 1 relating to permission PL/2023/01431.

The proposed variation seems to alter the front door location on the elevations, this would not alter my previous response with regard to highways and therefore I would not wish to raise an objection.
