Description of Proposed Works

Please describe the proposed works

Unfortunately my property is an early 1980s house that does not particularly enhance the High Street or a conservation area but we have made alterations with previous consent to improve its visual appearance by re-pointing, roof cleaning and by changing window frames with the addition of stone cills. This application to add a veranda is aimed to refresh a previous consent by adding character to the house and break up the box like design. This will have limited visibility from the High Street and will provide a shady and dry area that will allow us to enjoy the main rear garden on a lot more occasions and make the house a little more visually appealing.
