13 November 2021

Dear Sir/Madam

Discharge of Condition

Application No:	20/08802/DOC
Proposal:	Discharge of conditions 3 & 6 of planning application 18/02037/FUL (Construction of Bridge Over the Great Western Railway and Accommodation Works, Including Temporary Haul Road from Upper Peckingell Farm; Construction Compound; Bridge Beam Storage Compound; Cocklebury Link Road (Phase 1), and Associated Drainage Arrangements; Highway and Associated Landscaping)
Site Address	Land at Rawlings Farm and Upper Peckingell Farm,Chippenham,Wiltshire
On Behalf of	Summix

Thank you for your recent request to discharge conditions related to the above.

The details submitted as of 27.10.2020 as amended and supplemented by those submitted 01/10/2021 have been found acceptable and sufficient to discharge the condition listed below

List of conditions discharged by this request. (1)

3 Prior to the commencement of the development a Construction Traffic Management Plan (CTMP) shall be submitted to and approved by the local planning authority. The CTMP shall set out the proposed programme for the construction of the works, the forecast number and timing of lorry movements associated with each element of the programme, methods to be employed on the site to ensure that detritus from the site is not deposited on the public roads, temporary road works to mitigate damage to the existing highway structure (carriageway and verges), construction traffic signage on the proposed haul route from the B4069, lorry and car parking on the site to accommodate construction traffic. The works shall be carried out in accordance with the approved CTMP at all times. REASON: To ensure that a reasonable degree of control is exercised over construction traffic during the construction period, and to mitigate the impact of such traffic on the local communities affected.

Yours faithfully

Head of Development Management
