Former Packway Garage, The Packway, Larkhill, SP4 8PZ

Previous Planning Permissions

The proposed development is approved under Planning Permission:

Application Number : PL/2021/05433
Dated : 13th August 2021
Particulars of Development : Demolition of existing building and erection of single storey retail building (Use Class EA) with associated external works including external lighting At: FORMER PACKWAY GARAGE, THE PACKWAY, LARKHILL SP4 8PZ

The front elevation to the above approved application has an ATM proposed to the front elevation in the following position:

SOUTH / FRONT

A subsequent S.73 application is approved under planning permission:

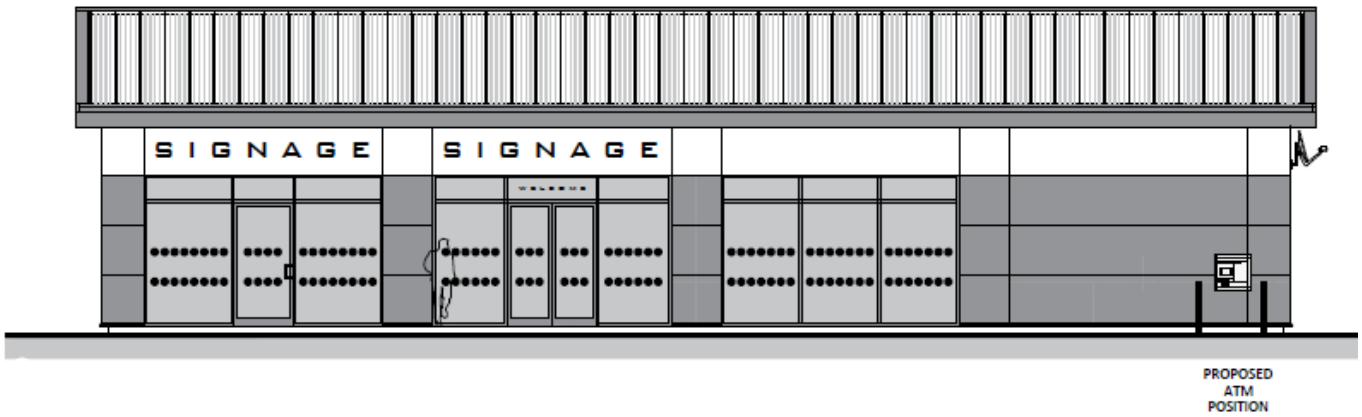

Application Number : PL/2021/11431
Dated : 8th February 2022
Particulars of Development : Variation of conditions 2 and 6 PL/2021/05433 – Change of Roof Cladding From KS1000 Standing Seam to KS1000 RW TrapezoidalAt: FORMER PACKWAY GARAGE, THE PACKWAY, LARKHILL SP4 8PZ

The above does not vary the approved elevations relating to the ATM position.

Proposal

The wind-bracing of the structural steel frame interferes with the position of the ATM in the position approved by PL/2021/05433. Furthermore, the ATM is not in a desired position to suit an internal store layout, and therefore a revised position is proposed which is acceptable to store design and the engineers of the development, and does not interfere with structural components.

The revised proposal is only a slight variation in the proposed ATM position, to the following:

Proposed Front Elevation
