- School visits - Each visit is tailored to the needs of the students but the building is available from 10am-3pm.
- A . P - Alternative Provision - Students need extra provision outside of school or they may have been asked to leave for various reasons but are still on roll. We are working with Wiltshire County Council.
- Home Ed - Young people are here from 10am-3pm and are working on various land based projects. They are not enrolled in a particular school.
- Multi use - These times the building is used for various events or gatherings. We have a baby group that comes once a month, fundraisers, community evenings such as star gazing. Each event runs for different times.
