STATUTORY DECLARATION

OF

JANICE MAY PARKER

I, Janice May Parker of 2 Fir Tree Villas, Lanhill, Chippenham, SN14 6LX do **SOLEMNLY AND SINCERELY DECLARE** as follows :-

1. I live at and own the Property known as 2 Fir Tree Villas, Lanhill, Chippenham SN14 6LX ("the Property"). The Property is one of a pair of semi-detached properties that were constructed in or around 1949. Attached to this Statutory Declaration at exhibit "JMP1" is a copy Planning Permission dated the 21st of October 1949 authorising construction of the pair of semi-detached houses subject to a condition that they should only be occupied by agricultural workers or their dependents.

2. 1 and 2 Fir Tree Villas were constructed by the owner of Fir Tree Farm on part of the farm in close proximity to the farmhouse and farmyard. At that time my grandparents rented Fir Tree Farm and in the spring of 1951 my parents moved into Number 1 Fir Tree Villas, having been married on the 1st of June 1950.

3. My parents and my eldest brother David Wilmott purchased Fir Tree Farm in or around 1980.

4. My aunt and uncle moved into Number 2 Fir Tree Villas in April 1951. At that time my uncle worked on the farm and therefore complied with the agricultural occupancy restriction.

5. My aunt and uncle moved out of the Property in about 1958 and thereafter the Property was rented out to Mrs Ruth Parks who was a nurse subsequently becoming a matron at Winsley Hospital. During this time an elderly gentleman also lived in the Property and Mrs Parks cared for him until he died. To the best of my knowledge Ruth Parks never derived any income from agriculture and neither did the elderly gentleman that she was looking after.

6. Ruth Parks moved out of the property in approximately 1979 and for quite some years the house remained empty. At one point it was rented to students from the Agricultural College at

Lackham for approximately two years between 1987 and 1989. Although they may have been agricultural students, my understanding is that they did not derive any of their income from agriculture.

7. I moved into the Property on the 3rd of July 1989, and I have lived in the Property ever since. In 2004 my parents gifted to me the Property.

8. For all of the time that I have been living at the Property I have been employed by the Hale Veterinary Group, Chippenham. During the years I have had a number of roles within the Company starting off as a secretary and receptionist moving to Office Manager and I am currently employed as a Pet Travel and Office Administrator. Attached to this statement at exhibit "JMP2" are copies of my P60 for the years 1985 to 1993 and 2002 to 2022/. I confirm that throughout this entire period, other than as described in paragraph 10 below, my only income was derived from the Hale Veterinary Group, and I purely paid tax on a PAYE basis and accordingly I have no further tax records to disclose.

9. I cannot locate the P60s for the years 1994-2001, but attached at "JMP3" are copy payslips confirming my continued employment with the Hale Veterinary Group for those years.

10. Since about 2000 I have volunteered at Lucknam Park Equestrian Centre as a yard assistant. From May 2017 to November 2017 the arrangement was on a more formal basis and I was on the payroll. I worked one morning a week and left their employment in November 2017. This was a very small part of my income, but in any event was derived from equestrian employment, rather than agricultural employment.

11. I met my husband in 1994 and from then until his death on the 26th of July 2018 we lived together in the Property. His occupation was an artist, and he had his own business designing and creating stone effect mirror frames. He had nearby workshops but at no point did he derive any of his income from agriculture.

12. I understand that my occupation of the Property without deriving income from agriculture is in breach of the condition attached to the 1949 Planning Permission. Although the condition has been breached since around 1958, I am able to confirm from my own first hand knowledge that

the condition has been breached during the entire period of my occupation of the Property from the 3rd of July 1989 until today and I understand that my occupation in breach of the condition for a period of greater than ten years means that the local Planning Authority are no longer able to take any action to enforce the condition and that I am entitled to apply for a Certificate of Lawfulness.

AND I make this declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835.
