NOTES
1. Scaled dimensions can be taken from this drawing if printed at the correct size and scale.
2. Figured dimensions are to be taken in preference to scaling and are to be checked on site.
3. This drawing must be read in conjunction with all relevant drawings, documents and information prepared by the Architects, other Consultants and Specialists.
4. Any discrepancy on this drawing must be referred to the Architects and clarification obtained before any action by others and prior to commencement of works.
5. Any discrepancy between this drawing and setting out by others and prior to commencement of works or the preparation of Specialists drawings.
6. The copyright of this drawing remains with the Architect.
7. If in doubt ask!
