Dear Sir,

85a FISHERTON STREET, SALISBURY
SECTION 73 PLANNING APPLICATION TO VARY CONDITION 2 ON PLANNING APPROVAL REF 17/03319/FUL

Please find attached a Section 73 planning application to vary condition 2 on the above planning approval comprising the following:-

Application Forms
1156/101B - Proposed Floor Plans and Elevations (drawing to be substituted)
1156/102A - Location Plan and Block Plan (drawing to be substituted)

1156/101C - Proposed Floor Plans and Elevations (proposed new drawing)
1156/102B - Location Plan and Block Plan (proposed new drawing)

It is no longer the intention to build the first-floor extension noted in the above planning permission and the attached Section 73 planning application includes revised drawings (as noted above) to reflect this so, that the approved drawings reflect what is actually proposed.

This also means that the works to the parapet wall and lean-to roof noted in the description will also not be carried out. The conversion of the rear of the shop has been competed allowing for some minor finishing works.

If possible, we would appreciate it if the description can be revised to reflect these changes.

We trust that you will find the application in order and that it can be registered. Should you have any queries, please do not hesitate to contact the writer.

Kind regards

Yours faithfully
