On Behalf of	Mrs Joanna Williamson

Thank you for your recent request to discharge conditions related to the above.

Your application seeks to discharge the one remaining aspect of condition 3 of PL/2023/05918, which relates to details and a sample panel of the wall material. I can confirm that the stone sample and details contained in the covering letter ref. NM/2326/planning discharge, dated 12/09/23 are acceptable.

The condition is therefore discharged.

Please note that the development must be implemented/completed in accordance with these approved details.

Yours faithfully
