Dear Sirs,

Support for proposed Lidl store and employment units on land off Oxford Road, Calne (21/00081/FUL).

I'm writing to let you know that I support Lidl's proposals for a new foodstore in Calne because

We definitely need more shops to cater for all the new homes being built in the are. We also need more affordable and a choice of where we shop.

It is a shame we are losing all our Lidl's green space. But I guess we have to sacrifice something to help residents.

Good luck

Yours sincerely
