To whom it may concern.

Lodge Liveries, Hogginton Lane, Southwick, Wiltshire, BA14 9NR

I am writing to confirm that I moved into the Groom's flat at the above premises on 28th October 2023, in order to begin working as the resident groom on the Monday 31st October 2022.

The attached plan shows the extent of the accommodation provided with my employment.

I am a student in Bath and keep my horse with Ruth at Lodge Liveries, so this was an ideal short term job, until a more permanent replacement for Emma could be found.

I worked, and lived in the grooms flat until the end of the year (2022).

Your sincerely
