Design & Access & Heritage Statement

- **Site address:** 27 Castle Street, Salisbury SP1 1TT
  This shop is grade II Listed Building on 12/10/1972 (entry number 1355859) and also in the Conservation Area
  The address no. 27, 29, 29A (including the premises to the rear of 29A at the west end of the yard) were constructed in the mid to late 19th Century. Consist of three storeys symmetrical red brick facades, heavy rusticated stone quoins, carved up into parapet with moulded coping. Moulded string between storeys and heavy moulded cornice. The upper floors have central window and flanking superimposed brick bays additionally with heavily rusticated quoins, the cornice and parapet breaking forward over, and with moulded stepped bases at 1st floor level. Sash windows segment headed, centre window wider, no glazing bars. Central archway with rusticated surround on ground floor. Altered modernised shopfronts either side. To the rear of no. 27 is a three storeys timber framed tile hung wing 17th Century or early 18th Century, with jettied 2nd floor. Hipped old tile roof. To the rear of the lot adjacent to the wing of no. 29A at right angles is a former warehouse, mid 17th Century. Queen post roof with butt purlins and plain wind braces.

- Advert consent is requested for:
  - Timber lettering to be placed on the existing timber fascia board - white paint letters and mid dark grey board
  - There is no replacement of the timber board, only replacing the letterings of the sign because the change of business name
  - The wooden lettering will be attached to the board using the wood glue and lost-head nails (the nails not showing up)

  There is no structural change which would impact on heritage and also no change is going to be made which would impact on access. The material and colour of the proposal design is following the guidance to the shopfronts and advertisement designs of Salisbury District Council.
