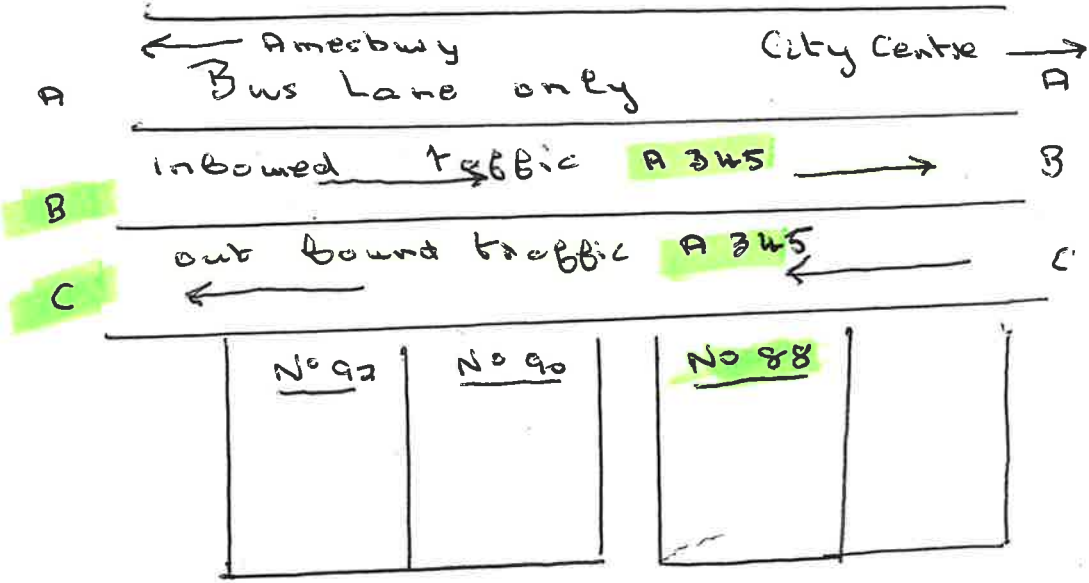
Dear Sir / Madam

This letter is response to Application No PL/2023/10664.

off road parking at 88 Castle Rd.

Below is the plan of ~~the~~ A345 road



Road B inward Bound

If they wish to park their vehicle when travelling inbound they will have to obstruct traffic using road C outward bound

If they where using road C they would still have to obstruct the outward traffic then back into their bay.

If they drove into their purpose bay it is an offence if reverse out onto a live lane.

The A 345 is a very busy road at all times a day.

Yours Sincerely

Mr D. Stroud
