Wiltshire Council

The Town and Country Planning Act 1990

Approval of Householder Planning Permission with Conditions

Application Reference Number: PL/2023/05288

Decision Date: 27 September 2023

Applicant:	Mr Mark Arnold 12 St Marys Gardens, Hilperton, Trowbridge, BA14 7PG
Particulars of Development:	Single storey extension to rear, Single Storey extension to side, Loft conversion including Roof lights to rear, Steel flue to side.
At:	67B MARTINS ROAD, KEEVIL, TROWBRIDGE, BA14 6NA

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).
In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.
Subject to the following conditions:

Conditions:

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Revised Block Plan and Location Plan - received 31/08/23

Existing Elevations - received 05/07/23
Revised Side Elevations – received 31/08/23
Revised Front and Rear Elevations - received 31/08/23
Parking Plan – received 18/08/23
Existing Ground Floor Plan – received 05/07/23
Existing First Floor Plan – received 12/07/23

Revised Ground Floor Plan – received 31/08/23
Proposed Floor Plan (Lounge) – received 30/06/23
Proposed Floor Plan (Plant Room) – received 30/06/23
Proposed First Floor Plan – received 12/07/23
Proposed Second Floor Plan – received 12/07/23

REASON: For the avoidance of doubt and in the interests of proper planning.

3 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended by the Town and Country Planning (General Permitted Development) (Amendment) (No.3) (England) Order 2020 (or any Order revoking or re-enacting or amending those Orders with or without modification), no development within Part 1, Classes A-C, shall take place on the dwellinghouse(s) hereby permitted or within their curtilage.

REASON: In the interests of the amenity of the area and to enable the Local Planning Authority to consider individually whether planning permission should be granted for additions, extensions or enlargements.

4 The rooflights hereby approved shall be of the 'conservation' type with a single vertical glazing bar and mounted flush with the roof slope. The rooflights within the side extension are to be non-opening.

REASON: In the interests of preserving the character and appearance of the listed building and its setting.

5 The external flue(s) shall be finished in a matt black colour and maintained as such thereafter.

REASON: In the interests of preserving the character and appearance of the listed building and its setting.

6 No retained tree/s shall be cut down, uprooted or destroyed, nor shall any retained tree/s be topped or lopped other than in accordance with the approved plans and particulars. Any topping or lopping approval shall be carried out in accordance British Standard 3998: 2010 "Tree Work – Recommendations" or arboricultural techniques where it can be demonstrated to be in the interest of good arboricultural practise.

If any retained tree is removed, uprooted, destroyed or dies, another tree shall be planted at the same place, at a size and species and planted at such time, that must be agreed in writing with the Local Planning Authority.

No fires shall be lit within 15 metres of the furthest extent of the canopy of any retained trees or hedgerows or adjoining land and no concrete, oil, cement, bitumen or other chemicals shall be mixed or stored within 10 metres of the trunk of any tree or group of trees to be retained on the site or adjoining land.

[In this condition “retained tree” means an existing tree which is to be retained in accordance with the approved plans and particulars; and paragraphs above shall have effect until the expiration of five years from the first occupation or the completion of the development, whichever is the later].

REASON: To enable the Local Planning Authority to ensure the retention of trees on the site in the interests of visual amenity.

7 No part of the development hereby permitted shall be first brought into use/occupied until the access, turning area and parking spaces [3] have been completed in accordance with the details shown on the approved plans. The areas shall be maintained for those purposes at all times thereafter.

The development hereby permitted shall not be occupied until the area between the nearside carriageway edge and a line drawn 2.4m parallel thereto over the entire site frontage has been cleared of any obstruction to visibility at and above a height of 900mm above the nearside carriageway level, and maintained as such thereafter.

REASON: In the interests of highway safety.

8 Notwithstanding the submitted details, the proposed development shall not be occupied until the appropriate means/works have been implemented to prevent private water from entering the highway.

REASON: To ensure that the highway is not inundated with private water.

9 The development hereby permitted shall not be occupied until the first 5m of the access, measured from the edge of the carriageway, has been consolidated and surfaced (not loose stone or gravel). The access shall be maintained as such thereafter.

REASON: In the interests of highway safety.

Informatives:

The application involves the creation of a new vehicle access. The consent hereby granted shall not be construed as authority to carry out works on the highway. The applicant is advised that a licence will be required from Wiltshire's Highway Authority before any works are carried out on any footway, footpath, carriageway, verge or other land forming part of the highway. Please contact our Vehicle Crossing Team on vehicleaccess@wiltshire.gov.uk and/or 01225 713352 or visit their website at http://wiltshire.gov.uk/highways-streets to make an application.

The applicant is advised that, if it is proposed to drain this development directly into the river or carry out any work within 8 metres of the watercourse then a Land Drainage Consent is required from the Environment Agency. For further information see www.environment-agency.gov.uk

If bats or evidence of bats are found during the works, the applicant is advised to stop work and follow advice from an independent ecologist or to contact Natural England's Bat Line through the internet.

Parvis Khansari - **Corporate Director, Place**

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
