Wiltshire Council

The Town and Country Planning Act 1990

Approval of Full Planning Permission with Conditions

Application Reference Number: PL/2023/06402

Decision Date: 29 September 2023

Applicant:	Rivendale Developments C/O Agent, Atlas Planning Group, Bodenham House Barn, Bodenham, Salisbury, England, SP5 4EN
Particulars of Development:	Subdivision of the residential plot and the erection of a dwelling to the southwest of '150 Bouverie Avenue South', together with hard and soft landscaping and associated works.
At:	150 Bouverie Avenue South, Salisbury, SP2 8EB

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

Conditions: (8)

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Location Plan 20/3287/LOC1 B dated May 2020 (Revised 22.06.22)
Proposed Block Plan 20/3287/200D dated 20/07/23
Proposed Floor Plans 20/3287/201C dated 13/07/23
Proposed Elevations 20/3287/202D dated 31/07/23

REASON: For the avoidance of doubt and in the interests of proper planning.

3 The development hereby permitted shall not be commenced until an Arboricultural Method Statement has been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved method statement and the recommendations contained within the Arboricultural Impact and Mitigation Statement reference WT 057-23 AIA dated 26 June 2023 produced by Mark Wadey NDArb CUEW MArborA RCArborA MICFor Arboricultural Consultant (Wadey Trees).

The protective fencing shall be erected in accordance with the approved method statement and shall remain in place for the entire development phase and until all equipment, machinery and surplus materials have been removed from the site. Such fencing shall not be removed or breached during construction operations.

No retained tree/s shall be cut down, uprooted or destroyed, nor shall any retained tree/s be topped or lopped other than in accordance with the approved plans and particulars. Any topping or lopping approval shall be carried out in accordance British Standard 3998: 2010 “Tree Work – Recommendations” or arboricultural techniques where it can be demonstrated to be in the interest of good arboricultural practice.

If any retained tree is removed, uprooted, destroyed or dies, another tree shall be planted at the same place, at a size and species and planted at such time, that must be agreed in writing with the Local Planning Authority.

No fires shall be lit within 15 metres of the furthest extent of the canopy of any retained trees or hedgerows or adjoining land and no concrete, oil, cement, bitumen or other chemicals shall be mixed or stored within 10 metres of the trunk of any tree or group of trees to be retained on the site or adjoining land.

[In this condition “retained tree” means an existing tree which is to be retained in accordance with the approved plans and particulars; and paragraphs above shall have effect until the expiration of five years from the first occupation or the completion of the development, whichever is the later].

REASON: To enable the Local Planning Authority to ensure the retention of trees on the site in the interests of visual amenity.

4 No development above slab level shall be undertaken until details of the materials to be used for the external walls and roofs have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON: In the interests of visual amenity and the character and appearance of the area.

5

No part of the development hereby approved shall be first occupied until the parking area shown on the approved plans has been consolidated, surfaced and laid out in accordance with the approved details. This area shall be maintained and remain available for this use at all times thereafter.

REASON: To ensure that adequate provision is made for parking within the site in the interests of highway safety.

6 The dwelling hereby approved shall not be occupied until the Building Regulations Optional requirement of maximum water use of 110 litres per person per day has been complied with.

REASON: To avoid any adverse effects upon the integrity of the River Avon Special Area of Conservation.

7 Before the development hereby permitted is first occupied the first floor window in the north east elevation and rooflights in the south west elevation shall be glazed with obscure glass only to an obscurity level of no less than level 3 and the said windows shall be permanently maintained with obscure glazing in perpetuity.

REASON: In the interests of residential amenity and privacy.

8 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended by the Town and Country Planning (General Permitted Development) (Amendment) (No.3) (England) Order 2020 (or any Order revoking or re-enacting or amending that Order with or without modification), no window, dormer window or rooflight, other than those shown on the approved plans, shall be inserted in the north east and south west elevations and roof slope(s) of the development hereby permitted.

REASON: In the interests of residential amenity and privacy.

Informatives: (1)

The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. If the development is determined to be liable for CIL, a Liability Notice will be issued notifying you of the amount of CIL payment due. If an Additional Information Form has not already been submitted, please submit it now so that we can determine the CIL liability. In addition, you may be able to claim exemption or relief, in which case, please submit the relevant form so that we can determine your eligibility. The CIL Commencement Notice and Assumption of Liability must be submitted to Wiltshire Council prior to commencement of development. Should development commence prior to the CIL Liability Notice being issued by the local planning authority, any CIL exemption or relief will not apply and full

payment will be required in full and with immediate effect. Should you require further information or to download the CIL forms please refer to the Council's Website https://www.wiltshire.gov.uk/dmcommunityinfrastructurelevy.

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
