Highway Development Control Consultation Response

Planning Application Ref: PL/2023/07369

Site Address: Amberwood, 154 High Street, Worton, Devizes, SN10 5SE.

Proposal: Single Garage side extension.

Date of Consultation Response: 03/10/2023

I refer to the above planning application dated 06/09/2023 seeking permission for a single garage side extension.

The site is located with existing access onto High Street, a C Classified section of public highway subject to a speed limit of 30mph. There are no proposals to alter the existing access with the public highway.

The proposals seek to erect a garage to the side of the dwelling with access from the parking forecourt to the front. This would not affect existing parking provision, the garage space would not be large enough to be considered as storage also as it does not conform with the minimum dimensions for this of 3m x 6m. The garage would only provide covered parking for a single vehicle within the site, enabling three spaces on site as previously occurred, therefore I would not wish to raise an objection with regard to highways.
