3 The materials for the development hereby approved shall be in accordance with the elevation plans hereby approved, namely bricks for the walls and concrete tiles for the

roof.

REASON: in the interests of the character of the area.

Informatives:

AIR SOURCE HEAT PUMP: The applicants' attention is drawn to the provisions and restrictions of Schedule 2, Part 14 Class G of the Town & Country Planning General Permitted Development (England) Order 2015 as amended. The installation and operation would need to comply with the provisions.

CIL: The applicant is advised that the development hereby approved represents chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. A separate Community Infrastructure Levy Liability Notice will be issued by the Local Planning Authority. Should you require further information with regards to CIL please refer to the Council's Website www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/communityinfrastructurelevy

Protected Species: The applicant should note that under the terms of the Wildlife and Countryside Act (1981) and the Habitats Regulations (2010) it is an offence to disturb or harm any protected species, or to damage or disturb their habitat or resting place. Please note that this consent does not override the statutory protection afforded to any such species. In the event that your proposals could potentially affect a protected species you should seek the advice of a suitably qualified and experienced ecologist and consider the need for a licence from Natural England prior to commencing works. Please see Natural England's website for further information on protected species.
