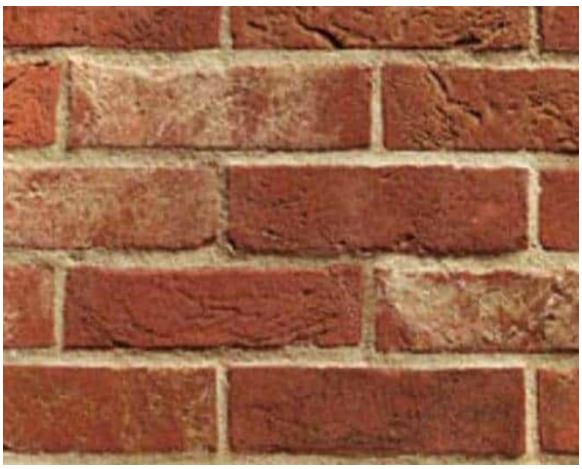
19/01/2024

MATERIALS SCHEDULE (REF: APG/01)

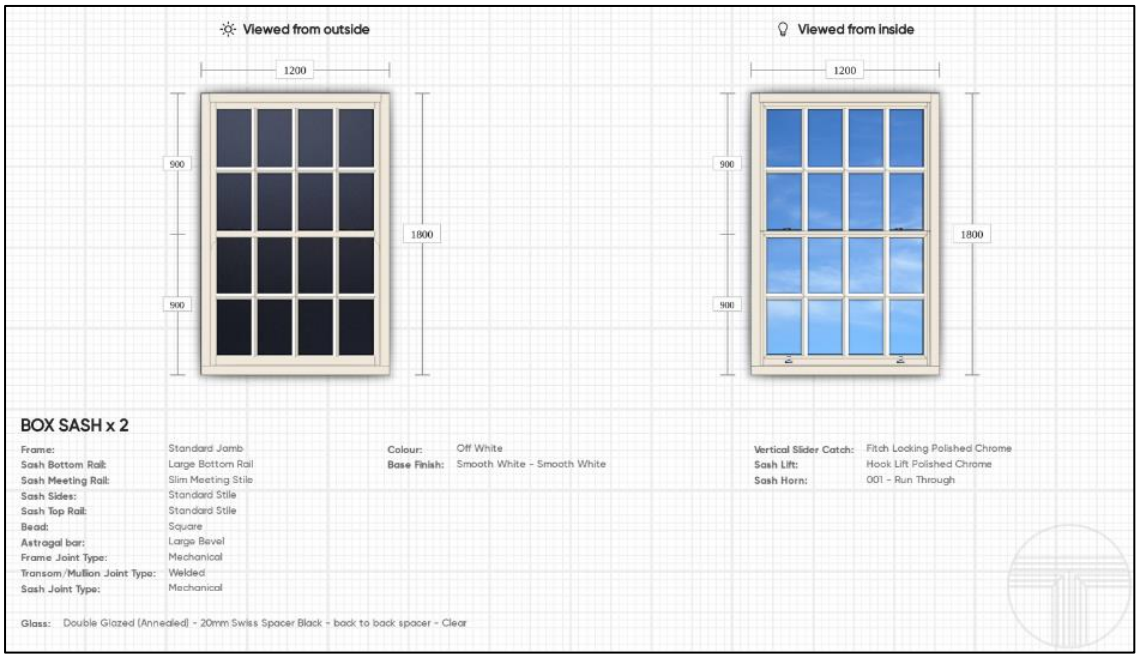
Replacement dwelling

The proposed walls will comprise of Terca Brick renaissance 65mm. A sample is shown below:



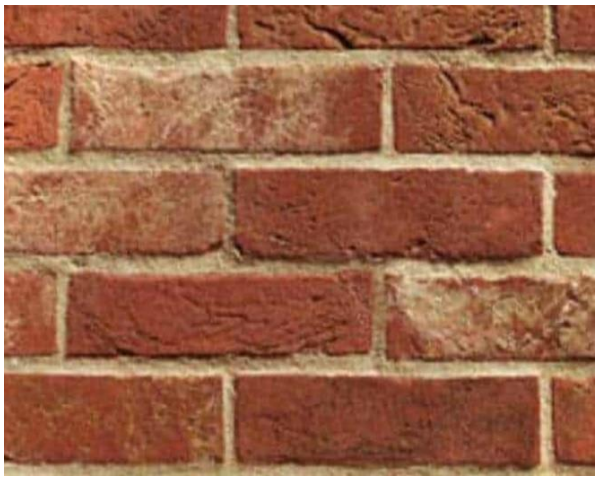
The roofing will comprise of 10 x 20 slate roof, as shown below.

The windows and doors will be timber framed and painted in off-white. They will be made by 'Allwood windows' (see example of the technical drawing below).

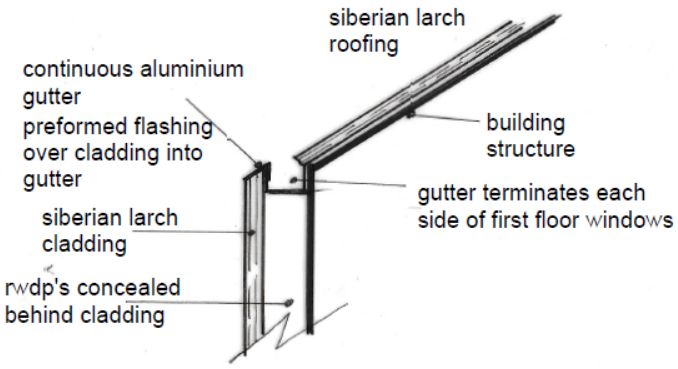


New dwellings

The proposed walls of each of the units will comprise of brick (Terca brick renaissance 65mm) and Siberian Larch vertical cladding. Samples are shown below:



The roofing will also be Siberian Larch vertical cladding, with a concealed gutter system. This will be left untreated so that it naturally weathers to a silver tone. Details below:



Section Sketch for
Concealed Gutter

The windows and doors will be timber framed and made by ‘Allwood windows’. Both the doors and windows will be painted in ‘Manor House Gray’, as shown below.

Farrow & Ball Manor House Gray Paint 5L Modern Eggshell No.265
