Highway Development Control Consultation Response

Planning Application Ref: PL/2024/00008

Site Address: Unit 2c, Leafield Way, Leafield Industrial Estate, Corsham, SN13 9SW

Proposal: Insertion of roller shutter door to front elevation.

Date of Consultation Response: 31/01/2024

I refer to the above planning application dated 18/12/2023 for the insertion of a roller shutter door to the front elevation of the unit.

The proposals do not increase the existing floorspace of the unit, there are no alterations to the existing access with the public highway and there would appear to be no alterations to the existing available parking within the site in terms of quantum.

Therefore, I would not wish to raise a highway objection to the proposals with regard to highways.
